## Dizzie

With a deceptively simple, visually striking, silhouette, Dizzie tables are ideal for diverse settings from the domestic to the commercial. The sensuous, organic shape of the base suggests a drop of mercury. The table base is available in different heights, in chromed or white-coated steel. The MDF or laminate top comes in a number of shapes and sizes: oval, either large or small, round, and square. The 50 cm (19 11/16") high side table with oval base is available in four vibrant colors (moka, red, sand, and black) in addition to white.
