Saari

The Saari collection is a seating system of chairs, armchairs, sofas and benches designed for restaurants, bars, hotels and lobbies. A synthesis of classic and contemporary, its sculptural shape is enhanced by a wide range of colors and materials. Available as chair, armchair, bucket seat and a one-, two- and three-seat sofa and bench. A wood and metal frame upholstered in fabric, leather or faux leather is mounted on a four-leg steel base which can be lacquered, chromed or veneered. The armchair and bucket chair versions are also available with trestle base, with or without castors. The following versions have been recently added to the collections: Saari XL with generous seats in graduating widths gives more comfort and volume. The Guest Chair emphasizes Saari's architecture and expression. The Saari Collection is GreenGuard certified.
