

ZINTA

arper

Zinta

Graphic, lightweight and fluid, Zinta is a modular sofa system defined by the harmonious juxtaposition of smooth lines and warm materials. Its deep seat perfectly supports the casual recline of the body. Its system of variable lengths and gentle angles allows it to weave through a space with subtle dexterity. It can serve as simple, single sofa or large-scale organizing principle in an open space.

Zinta is comprised of wood shell lined in pads for contract or cushions for a more accommodating seat in a select group of fabrics. Diverse sizes, materials and fill allow for diverse combinations and applications. Shells are available in oak-effect veneered plywood in the natural, brown and dark brown shades and natural oak laminate. Steel base and aluminum legs are painted in dark grey color. Optional plywood armrests are available. Diverse lengths and angles allow for endless combinations.

Designer

Lievore Altherr Molina, 2014

Lievore Altherr Molina was founded by Alberto Lievore, Jeannette Altherr and Manel Molina in 1990. Their humanist design approach is informed by the fundamental desire for pure, beautiful forms derived from the constraints of function, technology and context. Distinguished by a multi-disciplinary method that engages furniture, interior, product, and package design, their work has been globally exhibited and acknowledged. They are the recipients the prestigious National Design Award (1999) in Spain where they practice and teach extensively.

Applications

- Home
- Canteen
- Cafeteria
- Restaurant
- Campus
- Library
- Board room
- Conference room
- Break-out area
- Waiting room

Zinta Lounge Wood

Design by Lievore Altherr Molina, 2014

Modular seat components with oak-effect plywood shell, available in several colors. Steel frame and aluminum legs both powdercoated in anthracite color. The shell is provided with cushions upholstered in fabric, leather, faux leather or customer's own material applied on both seat and backrest or only on the seat. The modules can be combined to create linear or L-shaped arrangements (for the articles 4406 - 4407 - 4408 - 4409 the cushion angle must be ordered separately Artt 4417 - 4418). Cushions are available upon request and may be ordered separately.
