

Base:

- Black floorcaps Ø 40mm with felt.

Seat and back:

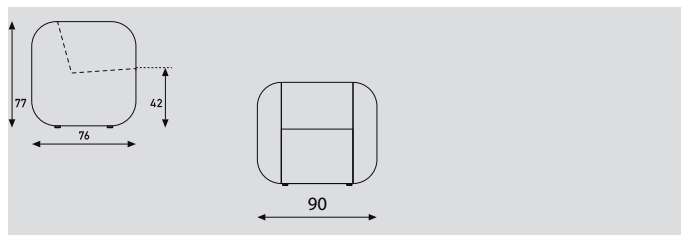

- Wooden internal frame.
- Comfort is assured thanks to the use of webbing in the back and an ingenious seat that boosts the natural comfort of the thick layer of foam.

Arms:

- 3d foamed with polyurethane moulded foam.

Upholstery:

- In either one or two fabrics. If two fabrics: seat and back in one fabric, remaining in another fabric.
- Upholstery category inner side (back/seat)
① ② ③ ⑤
- Upholstery category exterieur with seams (cross) in the arms ② ③ ⑤
