## Bench

Francesc Rifé

2021

---

This collection of tables and benches brings the lightest version of ash wood. A multifunctional design that can include a cushion to turn the table into a seat and to improve its comfort. The tables are also presented with a marble top if you want to add sophistication to any environment. The pieces are the first in a growing range that fits perfectly into the clean and detailed aesthetic of Francesc Rifé's furniture.

Interior and industrial designer, Francesc Rifé founds his own studio in Barcelona in 1994. Influenced by minimalism and following a familiar tradition linked to craftsmanship, his work focuses on ways of approaching spatial order and proportion. Currently, Rifé leads a team of professionals from several design fields that has won several awards: Contract World, Red Dot, HiP in Chicago, ICFF Editors, FAD, Delta and several ASCER awards.
