## REST SOFA MOD.IZQUIERDO

By A-cero

Inspired by ORIGAMI, the Japanese art based on folding paper in order to get different forms, and the motto of "Less is more" The whole is composed of an armchair, sofa, and table, with a modular structure which allows you to freely adapt them to your individual needs in any space. The manufacturing process used is rotational moulding, which is a technical process that guarantees the maximum quality of the final product by taking care of even the smallest details.

REST reflects the spirit of its creators, who are always loyal to elegance, beauty and exclusiveness, as well as the complete adjustment to customers. From well-defined, geometrical, yet elegant and light shapes, a new collection is born that provides maximum comfort for its users and fits perfectly in with innovative architecture, thanks to its contemporary design, a characteristic principle from the A-cero studio.
