

VONDOM

SURF TUMBONA

By Karim Rashid

The flowing wave that composes the seat and leg rest of SURF alludes to a sense of calm. It is a soft swell in lux, a fluid gesture that changes as the light does. The method of its creator is to replace the World's canvas for a new well-being that invokes a calmness and casualness, that are driven by vibrant shapes which are refreshing, awakening, and elevating and are metaphors for a new global dynamism.
