

BUDDY 219

DESIGN:
 BUSETTI GARUTI REDAELLI

A three-seater sofa that, while maintaining the collection's friendly and reassuring design, adds further comfort to the seat, thanks to a combination of four different densities of polyurethane foam supported by elastic belts, offering greater softness for a domestic environment in which one feels truly pampered. The sofa is incredibly versatile: not only is it available with or without armrests, but several seating modules can be positioned together. Version with removable covers available on request.

BUDDY 214S

DESIGN:
 BUSETTI GARUTI REDAELLI

Buddy collection has been enriched with new elements that enhance its versatile, functional nature. The generous backrests, combined with softly upholstered poufs, create a family of soft modular seatings, that reflect the friendly spirit of the collection. Steel frame and tubular steel leg Ø20mm. Height 400 mm. A turning tablet can also be added to the configuration.
