

VELA MESA 200x100x72

By Ramon Esteve

This extensive outdoor furniture and plantpot collection aims to offer the comfort and the quality of interior furniture without losing its original qualities. VELA is a modulate system with an elementary prismatic geometry that bases its singularity in the balance of its proportions. The elements can combine among themselves to integrate into any space. Their precise volumes create the illusion of hovering some centimetres off the floor, and when they are illuminated they are transformed into floating architectures.

Features

Description

Made of polyethylene resin by rotational moulding. 100% Recyclable. Item suitable for indoor and outdoor use. Available in different finishes.

Weight

82.6 Kg

Finishes

BASIC

Ref. 54050

Matt Polyethylene

LACQUERED

Ref. 54050FB

Lacquered Polyethylene

LIGHT

Ref. 54050WB

White internally lit unit with LED technology. Available only in matte ice white finish.

RGBW LED DMX

Ref. 54050AD

Unit with internal lighting with RGBW LED technology and remote control unit for switching colors. Also controlled by DMX-1024 (wireless), enabling communication between one or more products simultaneously via the DMX transmitter (not included).

RGBW LED BATTERY

Ref. 54050AY

Unit with internal lighting with battery-powered RGBW LED technology. Includes charger and remote control for switching colors and charger. Available only in matte ice white finish.

RGB LED BATTERY

Ref. 54050YB

RGBW LED

Matt polyethylene. Includes cordless RGB LED ambient light with rechargeable batteries, operated by remote control.

Ref. 54050AL

Unit with internal lighting with RGBW LED technology and remote control unit for switching colors. Available only in matte ice white finish. Remote control included.
